## President's Letter

Greetings Pescadores!

Summer has arrived! We are all busy with our summer schedules, and I would like to remind you to keep in touch with your brothers and sisters in Christ.

We do this through Sunday morning worship, Secuelas, email/phone, and social events, which seem to be many during these few short precious summer months!

Remember to pray for those who are serving on team. And sign up to serve elsewhere as you can. This all helps us grow as a community. And it blesses the Pilgrims. And blesses us.

There is joy in serving. Jesus wrote the book on joy. I have found an interesting exercise to do: Underline the word joy every time you find it mentioned in the Bible. Then I go and see why it's there. I have found joy in the Lord – always.

July/August 2019

At this time I don't think a July secretariat (business meeting) is necessary. So come and enjoy the picnic and the fellowship with other Pescadores and perhaps a few potential Pilgrims.

De Colores,

*Jerry Cole*

**November 7-10, 2019**

Dear Fellow Pescadores,

I am continuing to finish putting together the Men's #54 team! It is taking me longer than I had planned, but I am reminded that it is not my plan, it is His plan. Right now, I have about 8 open positions still. I am reminding myself that God is never early, never late, He's always right on time. This will be true in completing the team. I

Dear Tres Dias Community,

As I sit to write this note to you, the Vermont community of Tres Dias, I am amazed at how God works through each one of us. The Women's Team is full! The scripture I have chosen for the weekend is Ephesians 4:15-16 and is taken from the NKJV "*Speaking the truth in love, may*

## Fall Dates are set!!

Mark your calendars and start praying and asking people to attend as a Pilgrim for our fall weekends.

**Men's weekend is Oct 31-Nov 3**

**Women's weekend is Nov. 7-10**

Before you know it, these dates will be here, so now is the time to round up those applications. Lets get the weekends full and have to put people on a waiting list for next year! Wouldn't that be a blessing!

struggled to find time to make the phone calls and follow-up with people who were thinking and praying about serving, so it is taking longer than I had hoped. But, am very excited to see who those last people will be! Praise the Lord!!

I'm so excited to see what the Lord has planned as we start getting to know one another better. We will be meeting mostly on Friday nights, with a couple of Saturdays meeting the weeks we have Sequelas. We will be alternating between Cambridge and Randolph to encourage more people from all over to consider serving. Please pray for all the men and women as people are preparing Rollos and organizing for the weekend. Also pray that the Lord will help me to be a good listener and hear Him give direction. Let Him go before me as this is His weekend, not mine! Pray for a hedge of protection around all the team as we travel for meetings and that all would remain healthy and strong to serve. We all have our talents, so please pray that the Lord shows our team how to put their God-given talents to work in service for Him. I pray, also, that He will use this planning time to stretch and grow

us all in our Christian walk, too. I know that I have gained so much from the weekends I have already served on. We are all growing in our Christian walk each time we serve!

My prayer for the Pilgrims is that they will come to know God's grace, love and plan for them—to know that that God has a plan for their lives, to prosper! as my theme verse states in *Jeremiah 29:11 For I know the plans I have for you," declares the LORD, "plans to prosper you and not to harm you, plans to give you hope and a future. (NIV)*

Please be praying for the Lord's direction in seeking Pilgrims for the weekend and pray about other ways that you can serve for support on the weekends, whether it be with Palanca, serving a meal, Mananita, or coming to the closing. Please attend the next Secuela to reconnect with the community, and look at the sign-up sheet, too!

*grow up in all things into Him who is the head -Christ from whom the whole body, joined and knit together by what every joint supplies, according to the effective working by which every part does its share, causes growth of the body for the edifying of itself in love".*

Please consider how you will "cause growth of the body for the edifying of itself in love" on the upcoming Oct./Nov. weekends. There are many ways to do your share in the Tres Dias community. I'd love to see a stellar crowd at the Mananita and Closing. As the Rectors introduce the Tres Dias Community to
